STILL Internet Sales

Over 200,000 spare parts available online

High availability and OEM quality guaranteed: from screws and drive components to lubricants and maintenance kits. As a STILL customer, you can find the spare parts you need quickly and easily from a catalogue of over 200,000 items!

Quick and easy.

Get straight to the parts you need from a selection of over 200,000 items. Simply make your choice, add them to your basket and order at a time of your convenience. An order confirmation will be sent to you immediately by e-mail.

Dedicated contact person.

Of course you can still contact us for personal advice! Your contact person is listed in the contact area of the portal.

A clear overview.

The portal makes analysing and organising your spare parts orders incredibly straightforward. Take advantage of order templates, order histories and invoice histories for lean processes.
